1998 BOARD OF SELECTMEN REPORT

Fitzwilliam again ended the year in good shape with no debt. Selectmen used part of our surplus to maintain less than a 1-% increase in the town portion of the tax rate. The total tax base in Fitzwilliam is $121,418,850 with 2078 parcels and 13,221.98 acres in current use. Our equalization ratio remains at 116%. The amount raised by taxes this past year was $3,451,150. A chart of 1998 and recent tax rates is included below for your comparison.

	1998	1997	1996
Town:	$ 6.69	$ 6.63	$ 6.49
County:	2.03	2.07	2.05
School:	19.93	18.79	18.30
TOTAL:	$28.65	$27.49	$26.84

We are happy to report that we have completed many of the projects for which you appropriated funds in 1998. Our Town Hall sports a new coat of paint and a set of refurbished windows. All you glass lovers can now breath a sign of relief! The lift to the second floor is also in and operating thereby providing access to meetings and programs for all that wish to attend. Plante Memorial Park also received a make over with walks replaced, curbing added and drainage problems repaired. In 1999 we look forward to returning benches to the park and adding a few more trees and shrubs.

Our skateboard park was partially completed in the fall and the Recreation Commission plans to have it up and running when the warm weather returns.

At a special town meeting held in early December the Town accepted the gift of 29.8 acres of land from Russell Raitto and John Ilg. This land was donated in memory of Mr. Ilg's wife, Dorothy Ann Ilg. The selectmen propose to form a committee (oh no, not another committee!) to plan possible uses for the property. The Town also accepted the gift of another parcel of land, consisting of approximately 8 acres, which was donated by Stanley and Joanne Chaplin for conservation use. The Conservation Commission will manage this property for the Town.

This year we are asking for your approval in many areas. We are adding additional money to the capital reserve fund to reassess the Town. The Board feels strongly that we will need to do a town-wide reassessment in the very near future.

The Library is asking for support in establishing a capital reserve fund for renovation and addition to the Town Library. The selectmen believe that the planned expansion and renovation of this building is a wise move.

The Board of Selectmen has reached a settlement agreement with Woodbrook Camp and Tennis Club and, upon approval of the agreement by Woodbrook owners, will close this legal file. It also appears that litigation with Olson and Seppala in the quarry case is close to ending.

We encourage town residents to attend the school district meeting and cast their votes on all district issues. We will be voting this year on a new way of structuring the school board. The number of Board members will increase and give Fitzwilliam two representatives rather than one. An article to continue the renovation project at Emerson School will also be on the warrant. In addition, in order to accommodate this addition, it is necessary to perform a land swap with the school district. Please vote "yes" on this article which will appear both on the school warrant and the town warrant.

1998 Board of Selectmen – Continued

Finally, the Board of Selectmen thanks everyone who contributed to the operation of Fitzwilliam during 1998. To those who served on boards and committees, to our employees and to our volunteers, we extend our appreciation and gratitude for jobs well done. This town remains a healthy community because of your participation and dedication through good times and bad. So take a deep breath and lets work toward a great 1999.

January 20, 1999

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have audited the general purpose financial statements of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 1998, and have issued our report thereon dated January 20, 1999.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Fitzwilliam, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1998, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors and irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

1998 REPORT OF THE POLICE DEPARTMENT

We have completed another very busy year and have provided the Town with an excellent police department ready to serve and protect our peaceful community. I am happy to say that this was the best year that I have ever had since becoming Chief of Police. In 1998, the department made several accomplishments and we were able to keep all of our staff both full and part-time. The department has a well-rounded staff, and we are looking to appoint one additional part-time officer in 1999. We are all ready to assist you if the need arises.

At the time of this report the police had logged 192 cases, varying from minor traffic offenses and alcohol related offenses, to more serious crimes such as burglary, assaults, thefts and fraud. In addition we received 720 calls for services during the year and there were 44 reportable accidents, one of which resulted in a fatality. The number of Driving While Intoxicated offenses were up this year from years past. There were 26 DWI arrests - more than double from last year!

This year the department scheduled extra patrols during the summer using our part-time officers. The additional coverage was positively received by the townspeople as a welcome sight. Many appreciated seeing an increase of patrols in the area. I hope to continue to offer this extra coverage each year. It benefits the town immensely. In addition, by utilizing a Federal Highway Safety grant, we were able to schedule a traffic enforcement patrol that focused on speed limit enforcement. Throughout the year the department received several complaints relative to speeding vehicles. In all, the department logged approximately 59,032 miles on the two police vehicles for the year. This is considerably more than what has always been the average (36,000 – 37,000 miles per year). Aggressive, high visibility patrols can act as a deterrent to crime.

Community relations programs such as crime prevention presentations and RAD (Rape Aggression Defense) remain part of the offerings of the department. Working with other community organizations such as the Gap Mountain Lions Club and the Emerson Elementary School was also a part of this years' activities. Crime prevention programs were presented at the Fitzwilliam Police Department and at Friendly Meals. Topics were home security and telephone marketing fraud, respectively. Officer Hackler continues to provide these presentations to benefit the community. In the coming year we hope to form a volunteer citizens patrol group. This idea is spreading through the nation and is designed to help the police and protect the community.

I look forward to the New Year and hope to continue and broaden working relationships with various community organizations. This is extremely enjoyable and satisfying for me.

I would like to thank the members of the Fitzwilliam Police Department, both uniform and civilian, for their efforts this past year. Everyone works together well and all do an outstanding job providing police services to the town.

In addition, I would like to thank the community for their support of the police each year. Your comments, opinions, suggestions and ideas are important. Please feel free to visit the police department or contact us at any time.

1998 REPORT OF ANIMAL CONTROL

1998 was a busy year for Fitzwilliam in the Animal Control Department. There were 283 calls for assistance that ranged from iguana rescue to loose cows, horses, pigs, turtles and a stray donkey.

This year there were four moose and six deer involved with car collisions as well as six dogs killed on our roads.

I would like to take this opportunity to thank our Townspeople for their help this year.

The 1998 statistics are as follows:

- 470 dog registrations in Town
- 149 stray dog calls; 17 of which went to the Humane Society (All were reclaimed or adopted)
- 7 dog bites
- 25 stray cats
- 8 cases of possible animal abuse were investigated

Respectfully submitted,
Warren S. Hall
Animal Control Officer

1998 FIREWARDS REPORT

1998 CALLS

The Fitzwilliam Fire Department responded to 205 calls for the period from December 1, 1997 through November 30, 1998. This represents a decrease from the total number of calls in 1997 which were 210.

Among the responses in 1998 were: one structure fire, which is decreased from 1997, five chimney fires, twenty-four motor vehicle accidents, an increase from 1997, two bush fires and twelve mutual aid fire related responses to Winchendon, Troy, Rindge, Richmond, Royalston, and Jaffrey. There were also various other reponses to car fires, dumpster fires, smoke investigation, electrical problems, automatic fire alarm activation's, gas leaks, tree fires, carbon monoxide detectors, public assists, oil burner problems, and missing persons.

The Department also responded to 117 medical emergencies, an increase from 1997, and nine mutual aid medical calls to Jaffrey, Troy, and Richmond.

PERSONNEL, TRAINING, AND EDUCATION

The department now has thirty-two active members, one of whom is new to the Fire/EMS service. The department has nine members that serve only as fire personnel and six that serve only as EMS/Rescue members. Seventeen of our members are both firefighters and EMS certified. There are fifteen New Hampshire certified fire fighters. Three members have completed the new Firefighter Level I-A this fall at Meadowood. Five personnel have completed, and are awaiting the final exam, for the new Firefighter II curriculum. There are only twenty-two members who are certified to provide various levels of medical care. Four of the personnel are certified as emergency responders, thirteen are EMT-B (basic), and five are at the EMT-I (Intermediate) level. Twenty members have completed certification or re-certification on the defibrillation machine, and thirty are certified in CPR – health care provider basic life support.

In 1998 two members completed the EMT-B Course at Cheshire Medical Center. One member completed the EMT-B at Franklin Pierce, three completed rectification as EMT-B's, and one as an EMT-I. One member completed the EMT-I (Intermediate) Course at Cheshire Medical Center and is awaiting results of the National Registry Exam.

The department continues to offer monthly training for both fire and EMS personnel. In addition, personnel participated in several courses at Meadowood County Area Fire Department Fire School, such as, Self Contained Breathing Apparatus, Protective Clothing, Basic Rescue, Incident Command Systems, Rural Water Supply, Fire Behavior, Arson Awareness, Arson Investigation, Basic Terrorism, Practical Interior Fire Fighting, Rescue from Heights, LP Gases Inflammable Liquids, and School Bus Rescue. Personnel also participated in courses held at Cheshire Medical Center such as Mass Casualty Incidents, Medication Module and Advanced Life Support Continuing Education.

The department also offered Public Education in the areas of Fire Prevention, CPR and First Aid to the Community and Business'.

VEHICLES

As with the past three years, there was no change in the inventory of vehicles. This inventory includes the 1973 Mack Pumper, the 1978 Ford Pumper, 1970 Mack Pumper and the 1978 Mack Tanker. These vehicles continue to give the Town excellent service. Due to the ages of all these vehicles they are monitored closely for potential problems. The used ambulance that was purchased through donations in 1995 has served the

community well. The Department and the EMS Personnel have responded well to this venture and the service provided to the community has been excellent. The number of calls made by the ambulance has grown slowly but steadily since we started provided ambulance service. We will be requesting funds to purchase a new ambulance in 1999.

1998 BUDGET

We feel that one of the best investments the Town can make with respect to a department that offers fire and EMS Services is in the field of training and education. As you can see from our report concerning personnel, a substantial number of individuals devote volunteer time to maintain high professional standards in order to serve the community as well as stay up-to-date with the latest technologies and techniques in both fields. We certainly hope that this spirit of volunteerism and commitment continues for the foreseeable future and we appreciate the support from the Town in giving us funds to carry out various training courses.

The 1999 fire budget is comparable to immediately proceeding years in regard to ongoing operational costs, payroll, and training. All equipment is inventoried on an annual basis, if not more often, to assure that members are taking care of their issued gear and equipment and that all equipment is kept at peak performance. We feel that with the budgeted amounts we have had over the past few years, we are as up-to-date as ever with regard to providing our members what they need to do their jobs safely. We are able to respond to the equipment needs of new members as they come aboard. Although there are always items that are needed, great strides have been made in creating a well-equipped, well-trained department to better serve the Town.

As noted above, we are proposing that the Town go forward with the purchase of an ambulance in 1999. The condition of the present ambulance is acceptable but we have been having more mechanical expenses and although some bodywork and painting have been done in the past two years, more work will have to be done soon. We feel that we are at a point of diminishing returns and may be putting good money after bad. We also feel that we may have some trade-in value on the present unit this year which may not be the case in the future. The cost of a new ambulance, ready-to-go and fully equipped, will be around $95,000.00. Thanks to the efforts of the membership of the Fitzwilliam Fire Department, Inc., especially the hard work of Ed Saari and Joseph Tardiff, the Association will contribute the sum of $25,000.00 towards the purchase. With the $10,000.00 in the Ambulance Capital Reserve Fund this would mean an expense of $60,000.00 to the Town, not including any sum that might be received for the trade-in of our present vehicle. If this expense is amortized over two or three years, the Town would have a great asset at a relatively modest expenses. We hope the Town supports this venture.

Whether or not the Town goes forward with the ambulance purchase, we express our great appreciation to Ed Saari and Joseph Tardiff for their tireless efforts on behalf of the Department and the Town to make this project a reality.

ASSOCIATION MEMBERS

As some townspeople may be aware, there are members of the Fitzwilliam Fire Department, Inc. who are not providers of the Fire and Emergency Medical Services. They provide great assistance with support and food at fire and rescue scenes and with fund raising activities for the purchasing and maintenance of equipment, which in turn, benefits the Town. We thank the businesses that support the Fitzwilliam Community Calendar Project by advertising in the calendar which is in its eighth year, as well as those businesses that support our children's programs such as Halloween, Christmas, and the Annual Fun Fair. We certainly extend our thanks to those individuals who provide so much assistance to us and to the Town.

Respectfully submitted,

1998 HIGHWAY DEPARTMENT REPORT

The Highway Department saw changes in 1998, with both Edwin Mattson, former Road Agent, and Greg Mattson leaving the Highway Department after many years of dedicated service to the Town. I thank them on behalf of the Town of Fitzwilliam and wish them luck in their new ventures.

This year the Fullam Hill and Jaffrey Road resurfacing projects were completed as well as the Depot Common beautification project and resurfacing of all streets and parking lots in the Depot Area.

In 1999, we are planning on reconstructing Richmond Road from The Inn to Rhododendron Road as well as Creamery Road. This past fall we installed several hundred feet of culvert pipe and catch basins on Richmond Road in preparation for this project. We are also hoping to resurface Robbins and Kinsman Roads, thereby completing this section of Town for the time being. We will also begin reconstruction of our gravel roads with Gap Mountain Road scheduled for this year.

On behalf of the Highway Department I would like to thank all the people who helped us with our projects this past year with a special thank you to Paula Thompson and Margo Best of the Selectman's Office.

Respectfully submitted,

Gene Cuomo
Road Agent

1998 REPORT OF THE TRANSFER STATION

In 1998 the Town of Fitzwilliam recycled over 270 tons of paper, glass, cans, and plastic products which produced an income of approximately $13,000.00. The net result of recycling is just over $34,000.00 when you factor in the cost of disposing the 270 tons. It should be noted that our transfer station attendants handle all of the 270 tons, plus much more. This year there have been some changes at the Transfer Station as we continued to comply with regulations of the New Hampshire Department of Environmental Services. We will keep the public informed of these changes via the Fitzwilliam Newsletter and other channels as necessary.

The recycling market, as with everything else in this economy, is constantly changing as well, and we must adapt to these changes. This year we built additional bins in order to store more glass until it goes to market. By doing this we will ensure that the Town is able to obtain the best price for our recyclables.

This year there is an article on the town warrant that is for the purchase of an auger trash compactor to replace the ram compactor we have been leasing. This new unit is capable of managing all of the Town's regular trash and, in addition, can also compact items such as furniture and building debris. We expect that the new compactor will save time as it will eliminate the need to handle each of these large items separately. The auger is able to compact more into the containers and will thereby reducing trucking costs. The Town has been leasing the existing equipment for many years. It is our feeling that by purchasing this unit the Town will save over the long term. I hope you will support this article.

One last item on recycling, the town has purchased a waste oil furnace to replace the broken furnace at the Highway garage. We now heat the entire highway garage with waste oil. It is very cost effective as well as helpful to the environment. We have applied for a State grant that, if approved, will help to pay for the cost of the waste oil furnace.

I want to thank the citizens of Fitzwilliam for doing their part in our recycling efforts at the Transfer Station proving that when we all do our part, although it is not always convenient or fun, it is something that we can all be proud of and that it can and does work.

Respectfully submitted,

Gene Cuomo
Highway Agent

1998 REPORT OF THE CONSERVATION COMMISSION

The Commission arranged for a Groundwater Protection Plan to be developed for the Town of Fitzwilliam by the Community Environmental Outreach Program of the University of New Hampshire. Robin Haynes was the liaison for the project and we were very pleased with the product and thank her for her good work.

Two years ago Mr. Gaseau gave a piece of property located between Route 119 and Route 12 to the Town of Fitzwilliam. This year the Commission arranged for Charles Koch to do a survey of the property. It is an interesting piece of land and is ideal for canoeing. In the future we may be able to create a trail on the property.

The Commission was instrumental in arranging for Mr. Chaplin's property off of Fullam Hill Road to be donated to the Town. In the future it may be a part of a greenway with the Gasseau property to create a wildlife corridor.

The Commission and other citizens created a list for Southwest Regional Planning Commission of priorities for land protection. This list will be used by the State Commission on Land and Community Heritage.

Robb Hobbs and other scouts created a connecting trail to the Metacomet Trail in the Whitcomb Town Forest. Robb did this for his eagle scout project.

Ben Hale has just joined the Conservation Commission and has been a great help to the work we do. He will establish a project to work with a student under the guidance of "Project Serve".

The Commission sponsored a slide presentation on January 25, 1999 in the Town Hall presented by Citizens for Land and Community Heritage. This group is in public response to the State Commission of the same name.

CONSERVATION COMMISSION

1998 MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission is charged by the State of New Hampshire under RSA 258: 1 to advise and guide the Department of Resources and Economic Development (DRED) on the management of their lands and leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The lands are located on Mount Monadnock, Gap Mountain, and Little Monadnock.

On Saturday, June 20, 1998 the Commission met at the Inn at East Hill Farm in Troy. Business attended to was as follows:

>Continued discussion on a new parking lot in Dublin at the Dublin Trail Head. This will accommodate 48 cars.

>A similar discussion ensued about parking on the Quarry Road (Troy) access to Gap Mountain. A letter was sent to the appropriate people from the Commission asking that we be included in any discussion about parking if the new by-pass ever gets built.

>The major portion of the meeting was centered around a review of the Monadnock Management Plan; what has and has not been accomplished and what is feasible?

>Larry Davis, a local legend because of his commitment to climb the mountain every day for what seems like forever, would like to bury a time capsule somewhere on the mountain.

>Republish Annals of Monadnock and the Monadnock Guide.

The public is encouraged to contact their commission members with suggestions and comments.

Members of the Monadnock Advisory Commission are:

Jaffrey	Ann Royce
Dublin	Betsy Harris, Tom Wright
Marlborough	James Everard, Ernie Linders
Troy	David Adams, Ira Gavrin
Fitzwilliam	Daniel Leary, Thomas Parker

1998 REPORT OF THE PLANNING BOARD

The Planning Board's regulatory duties include the review and approval of all subdivision, lot line adjustment, earth excavation, and site plan review applications. Additionally, the Board is responsible for amendments to the Land Usage Ordinance and for the institution of a Capital Improvements Program for all Town departments.

In 1998 the Planning Board approved three boundary line adjustments, two minor subdivisions, one earth excavation renewal and held ten preliminary conceptual consultation meetings.

During the course of the year the Planning Board appointed Macreay Landy as the Planning Board Representative to the INCOM Committee and appointed Eleanor Vander Hagen as our Southwest Region Planning Commission Representative. The Board continued to work on its many non-review functions which included a revision of the Sign Ordinance as well as entered into contract with Southwest Region Planning Commission in order to update the zoning maps to include all subdivisions and new road names that have transpired in the last ten years.

In addition to responding to applications, our goals for 1999 include the training of new members and to continue to review the ordinance to ensure that the intent of the Town is supported.

The Planning Board has recommended that the Town approve an amendment to the Land Usage Ordinance which adds a fifth guideline to the four existing criterion of a Special Exception. The proposed fifth requirement is only for applicants who are applying for a reduction of dimensional requirements and states that the applicant must establish that there are special conditions that make the meeting of the dimensional requirements unduly burdensome.

The Board welcomes new alternate member Gretchen Wittenborg and looks forward to working with her in the upcoming year.

The Planning Board meets on the first and third Tuesday of every month at 7:00 PM at the Town Hall. All meetings are open to the public and we encourage your attendance and participation.

FITZWILLIAM PLANNING BOARD

1998 REPORT OF THE HISTORIC DISTRICT COMMISSION

Fitzwilliam is a historical New England town with people who value the importance of perpetuating the past as well as adjusting to the demands of the present within their community. The preservation of our historic and natural resources are accomplished by the institution of safeguards such as the Historic District Commission and its associated regulations.

The Historic District Commission is responsible for the review of all exterior construction located within the perimeters of this overlay district as well as being responsible for the enactment of the Historic District regulations. These regulations provide guidelines applicable to all exterior construction within the Historic District. All applicants seeking to obtain building permit approval within the Historic District must adhere to the criteria as set forth by a majority vote of the Commission members and as stated in the Historic District regulations.

The 1998 year was a relatively calm one for the Fitzwilliam Historic District Commission. The Commission was active in communications with other Town boards, reviewed Phase 1 of the Emerson School Project, amended the existing Historic District Regulations and held seven regular meetings which resulted in stipulation of conditional approval of the dismantling, removal, and relocation of the former Trading Post barn; approval of two new residential homes within the district, approval of two major construction proposals and one minor construction proposal, approved one business sign and approved a paving plan for the liquor store.

All residents are reminded that the Historic District Commission meets on the first Tuesday of each month at 4:00 PM at the Town Hall and may hold additional meetings whenever there are one or more completed applications to consider. All meetings are open to the public and we encourage participation from all those interested.

Respectfully submitted,

HISTORIC DISTRICT COMMISSION

1998 REPORT OF THE BOARD OF ADJUSTMENT

The Zoning Board of Adjustment is a board whose function is to hear appeal applications from property owners who have applied for relief from the terms of the Fitzwilliam Land Usage Ordinance. The State of New Hampshire allowed municipalities that had established a zoning ordinance to provide a Board of Adjustment in an effort to resolve land or building disputes without burdening the judicial system.

This board is empowered to grant relief, if the applicant can meet the criteria as specified and outlined in the Land Usage Ordinance. This relief appears in the form of a variance; special exception; the review of a disputed administrative decision made by a town board or official; or an equitable waiver of dimensional requirements.

A variance application is a request for a waiver or relaxation of a requirement in the Land Usage Ordinance when strict enforcement of the requirement would cause undue hardship to the applicant. Hardship, as defined, may only be because of circumstances unique to the property in question and not shared by other parcels of land in the same district. A special exception application is a request for a specific permitted use of land or buildings, when criteria or requirements are met, as detailed in the Land Usage Ordinance. An appeal to an administrative decision application is a request for the Board to review a disputed decision of an administrative officer, which includes any decision involving construction, interpretation or application of the terms of the Land Usage Ordinance. New legislation was instituted by the legislature to address the situations where a good faith error was made in the siting of a building or other dimensional layout issue, in the form of an equitable waiver of dimensional requirement. Equitable waivers may be granted only from physical layout or dimensional requirements and may not be granted from use restrictions.

In 1998 the Board of Adjustment heard eight cases. Six of the requests were for variances, two were for special exceptions and all were approved.

The Board of Adjustment meets at the Town Hall on the third Monday of each month at 7:30pm when one or more applications are to be considered. In accordance with RSA 676:7, notice of public hearings are posted at the Town Hall and Post Office as well as advertised in a local newspaper and sent certified mail to all abutters.

The Fitzwilliam Board of Adjustment invites and encourages all interested parties to attend hearings and meetings as noticed.

Respectfully submitted,

Robert H. Anderson, Chairman	Kerry Gagne
Edward Saari, Vice-Chairman	Daniel Bemis, Alternate
Daniel Baker, Clerk	Debbie Favreau, Alternate

ZONING BOARD OF ADJUSTMENT

1998 REPORT OF THE CODE ENFORCEMENT OFFICER

Recognizing that as the population of Fitzwilliam continues to grow, new and complex building and zoning problems emanate for which solutions must be found and the problems resolved.

The Code Enforcement Office seeks to enforce those regulations as established by majority vote of the Town at Town Meeting as well as in accordance with State statutory requirements and regulations. This position works under the auspices of the Board of Selectmen.

The Code Enforcement Office handles issue such as, but not limited to, site investigations upon receipt of complaint, enforcement of all building and zoning violations, dedication of Emergency 911 street numbers, and review of all required plans as attachments to building permit applications. This review includes securing safety from flood, fire, and other public requirements as well as ensuring that the proposal complies with all provisions of the Land Usage Ordinance and Life Safety Code.

In 1998, twenty six violations were investigated many of which involved several site visits and formal and informal communications. Additionally, the Code Enforcement Office issued seventy-eight building permits which allowed construction of eight new residential homes, nineteen sheds, seven garages/barns, fifteen major renovations, six minor renovations, four recreational vehicle placements, eighteen decks/porches, as well as the issuance of two Cease & Desist Orders. The total dollar amount, according to owner estimates, of construction in 1998 was $1,254,046.00. While the number of building permits were slightly less in 1998 than in 1997, investigations of building and zoning violations increased dramatically.

I would like to take this opportunity to thank the Board of Selectmen for their support and guidance during the time we were without a Code Enforcement Officer (in the process of hiring one).

If you have questions regarding zoning applications or building permits, please feel free to contact me at 585-7723.

Respectfully submitted,

Jody Hartwell

Land Use

1998 REPORT OF THE TOWN HALL AGENT

The Town Hall was utilized by a number of groups this year. Among them were the following:

- Fitzwilliam Fire Department
- Fitzwilliam Police Department
- Emerson School
- New Hampshire Fish & Game Department
- Fitzwilliam Historical Society
- Fitzwilliam Library
- Elliot Institute

There were several major improvements to the Town Hall in 1998 which include the installation of an elevator which allows access to the Upper Hall for our citizens who have difficulty with the stairs, installation of storm windows in the Upper Hall as well as repairs to the sashes of same. The exterior of the building was painted. A special thanks to the diligence of John Fitzwilliam who makes sure the clock is always "on time".

Respectfully submitted,

Donald Douglas
Town Hall Agent

Sean Marshia wearing his Library Summer Reading Program t-shirt

1998 REPORT OF THE RECREATION COMMISSION

The Fitzwilliam Recreation Commission administers and promotes programming which allows individuals to exercise not only bodies, but to exercise community spirit, cooperation and sportsmanship as well. Programs would not exist if it were not for the extraordinary efforts of volunteers and the healthy risk taking of participants willing to challenge themselves and to be part of something bigger than themselves.

The Recreation Commission and the Town mourn the passing this year of one of our members, Janet Meatty. Janet's energetic spirit and constant willingness to help and to be positive are already greatly missed. The Janet Meatty Skateboard Park will be dedicated this spring in her honor.

The Commission was proud to be part of many successful programs this year. The largest single town program is still the Fall Soccer Program. Andy Caouette stepped in valiantly this year to direct the 160 kids, 8 coaches, 5 referees and other assorted volunteers. The Fitzwilliam Travel Team (ages 13 – 16), coached by Maureen Osborne, played an outstanding winning season. Our thanks to Dunkin Donuts for refreshments.

The Summer Recreation Program, directed by Dawn Hansen, again provided a quality alternative to the summer doldrums for 120 elementary age youth (mostly Fitzwilliam residents). Seventeen outstanding staff (including many Fitzwilliam High School juniors and seniors) led kids in games, arts and crafts, swimming and various special events including a magician, archery training, and a trip to Whalom Park. Special thanks to Sean Cavanaugh for stepping in at the last minute as lifeguard! Thanks also to the Common Marketplace for sponsoring pizza days.

The Charlie Wallace 5-K Roadrace celebrated its eighth birthday this year with 60 runners of all ages, many from our town. Our race is considered especially friendly by local runners. The townwide tag sale was also a success this year thanks to outgoing commission member Lola Grab.

The Cross Country Ski Program is back after a year off. Lou Thomas provides enthusiastic instruction and Dan Leary, as always, grooms trails especially for the program. Our town is unique in having ski trails and equipment available for residents.

Many residents came out to help renovate the baseball infield at the Charles Wallace Sportsfield in April. A big thanks to Tim Pelkey for the use of his time and earth moving equipment. The Commission is consulting with the New Hampshire extension division to find ways to improve the quality of the field surface in 1999.

The pavement, which is the base for the skateboard park, has been laid and in the spring, the first of the ramps - a quarter pipe (built and donated by resident Jason Myracle) will be put in place.

In 1998 the Commission welcomed two new members - Sue Caouette and Brian Gill. With more programs and more participants in existing programs, the tasks of administration are growing for this volunteer group. Surrounding towns have already been paying staff to administer their recreation programs. This year we hope to hire a part-time assistant to help us keep our programs on track.

We meet at 7:00 PM at the Town Hall on the 2nd Wednesday of each month. Please come join us and share your ideas with us. Our goal is to provide programs for every single resident.

Respectfully submitted,

Fitzwilliam Recreation Commission

1998 LIBRARIAN'S REPORT

1998 was a banner year in the 86 year history of the Fitzwilliam Town Library. It was a year of change and new beginnings on numerous fronts; technology, building and grounds, personnel, and space planning.

Statistics remained constant for the year. Circulation of materials reached 19,289 with increases noted in library attendance (over 14,000 visits), reference questions (621), in-house use of materials (2808) and audio books(946). In addition, 480 books, 49 audio books, 49 videocassettes, 39 periodical subscriptions and 3 compact discs were added to the collection.

This year we offered 59 programs with 911 people in attendance. Memorable highlights included storytelling, holiday craft programs, a performance by musician Skip Gorman, a Humanities discussion program entitled Voices of New Hampshire, weekly Preschool Storytime and our monthly Book Discussion group, now three years old and still thriving! The summer reading club, NH Live Free and Read, registered 58 readers who completed 5 or more books for a total of 39,752 pages read.

Our computer linkup to the state database allowed us to borrow over 200 books as well as to loan out 220 books to other libraries. In addition we added a 56K frame relay Internet connection to the public computer allowing us to offer the fastest connect time possible to our users!

This year we reregistered users and issued 679 new cards in the last stage of our computer conversion project. This was a personal milestone for me as I had logged over 5 years in recataloging the collection and converting the information to computer. The automation of the circulation and card catalog allows us to offer a much improved service; more efficient, smoother and greatly expanded.

On the building front the handicapped entrance was finished. A striking granite bench was added to the walkway as well as a butterfly garden planted by the Garden Club. The overgrown yews were removed and plans made to build a new fence along the town hall parking lot.

Inside the library there were changes as well with new shelving and a hand-crafted birch desk installed to replace our beloved but crowded front desk and bench. These additions were made possible with a bequest from Isabelle Bosworth.

The Friends of the Library provided their usual generous support; purchasing almost all of our audio books, children's books and furnishings in honor of National Library Week, and sponsoring much of our programming including the Summer Reading Program. Thanks to the executive board of Kate Thomas, Dancy Bluhm, Coni Porter, Shelley Earley, Bonnie Jones and Laura Carroll. And thanks to Edith Kurtz for organizing the annual book sale with her usual flair.

This year we said goodbye to long-time Assistant Librarian Deb Chipman and hello to new staff members, Anne Mellor and Kate Thomas. In addition, the Board of Trustees added two new members, Joanne Kesses and Mary Murbach to their board of three; Robin Marra, Carolyn Edwards and Rita Nirenberg. Adding two new members was intended to bolster the board in preparation for the formation of two citizen committees to aid us in planning and implementing a building program.

Those committees were formed and began meeting in September. With 14 bright, talented and energetic citizens volunteering their efforts the planning process has really taken off! As we end 1998, an architect has been chosen to produce renderings of a proposed building based on our earlier space plan and fund-raising plans are being readied for 1999!

LIBRARIAN'S REPORT – CONTINUED

This year, on the warrant, we are asking your support for the establishment of a capital reserve fund for a library expansion. We need more space! Children's areas, reading and study areas, staff work space, more book stacks and a community room are all needed! Your vote in the affirmative will help us continue to meet the community's needs now and into the future..

Everything we do happens only with your financial support, the advice and guidance of the Board of Trustees, the hard work of the staff and the help of our many volunteers. Thank you all for helping make the Fitzwilliam Town Library the wonderful community and cultural center it is.

Respectfully submitted,
Susan Massin
Librarian

Checking out the first library patron, Chip Baker, on the new automated system, March 23, 1998.

1998 REPORT OF PLANTE MEMORIAL PARK

This year was a long and busy year. The park was rototilled, and many loads of loam and peat moss was spread over the area and the stones were raked off.

Granite curbing has been installed around the park and a new paved walkway was installed. The flag pole was relocated adjacent to the Fire Station and then the area was hydro-seeded with grass which came up within a week!

In the spring we plan to locate two maple trees and shrubbery within the park.

A donation of natural oak slats was used to repair the park benches.

We wish to thank everyone who gave unselfishly of their time and materials to enhance the park.

Also a note of thanks to the Fire Department for decorating the tree with lights.

PARK COMMISSIONERS

1998 REPORT OF THE CEMETERY DEPARTMENT

Another year has passed with a considerable amount of work being accomplished. We had to remove a tree last year and we plan to remove and replace two more trees this year. We will be upgrading the roads and lots within the Village Cemetery this year.

We are hoping to obtain two mowers this year which will help us to continue to provide a regular schedule of maintenance in our cemeteries.

At Pine Grove Cemetery there were four full burials and six cremations performed. At the Village Cemetery there were two full burials and three cremations.

Respectfully submitted,

Robert Dunton
Kenneth Dunton
Mark Dunton
Cemetery Commissioners

1998 REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten forest rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State forest rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 forest fire wardens and deputy forest fire wardens throughout the State. Each town has a forest fire warden and several deputy wardens who assist the forest rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential for fire hazard as well as safety hazards to many areas of the State. Your local fire warden and forest rangers need your assistance in preventing wildfires in these hard hit areas and throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 firetowers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

1998 REPORT OF THE HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES JANUARY 1, 1998 – DECEMBER 31, 1998

In 1998, Home Healthcare, Hospice and Community Services (HCS) continued to provide home health care and community services to the residents of Fitzwilliam. The following information represents a projection of HCS' activities in your community in 1998. The projection is based on actual services provided from January through September 1998 and an estimate of usage in October, November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED
Nursing	641 Visits
Continuous Care Nursing	5,028 hours
Physical Therapy	129 visits
Speech Pathology	0 visits
Occupational Therapy	51 visits
Medical Social Work	8 visits
Outreach	5 visits
Nutritionist	0 visits
Home Health Aid	889 visits
Homemaker	553 hours
Adult In-Home Care	1,513 hours
Health Promotion Clinics	2 clinics
Meals-On-Wheels	2,643 Meals
Total Unduplicated Residents Served:	117

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care were also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in1998 with all funding sources is projected to be $313,309.00. The total cost of services provided for a partial fee, or at no charge to residents in 1998 is projected to be $2,040.00 for home care and $1,435.00 for Meals-On-Wheels.

For 1999, we recommend a total appropriation of $4,454.00; $3,000 to be available for home care services and $1,454.00 for the Meals-On-Wheels Program.

Thank you for your consideration.

1998 TOWN CLERK REPORT

The Clerk's office continues to register over 3,000 vehicles a year and this year, thanks to you people, the revenue for motor vehicles was $247,000. This was due to the fact that more new vehicles are being purchased.

I had mentioned last year that we would be getting new plates in July, which did not happen. The release of the new plates began in January 1999. It is helpful for my office if customers would bring the registration that is about to expire with them so that we can verify the plate number and ensure that the correct vehicle is being registered. Numeric plates (all numbers) may be renewed at the Town Clerk's Office. The plate, however, will be sent from Concord. The alphanumeric plates (ABC123) are now considered a vanity plate and will cost $25.00. In addition, there is a $5.00 fee for all sets of plates. The State Motor Vehicle Department has not determined if in the future this will continue to be a vanity plate. The existing vanity plates, when renewed, will be sent from a Concord warehouse. A paper plate will be issued from our office at the time of renewal. Everyone will receive new plates by the end of the year 2000.

Vital records is still moving forward with the Vision 2000 Program and hopefully all Town Clerks in the State will be on line in the upcoming months. Once on line, customers will be able to go to any Clerk's office and ask for a vital record, providing the event took place in New Hampshire.

This year I have an Article on the Town Warrant to renovate the supply room that is connected to the Clerk's office. The Records Preservation Program (RPP) started a few years ago to help small towns provide adequate space to keep vital records. I submitted a proposal to the RPP in the amount of $9,700.00; which was accepted. Therefore, the State will grant half of the request, or $4,850.00, and the remainder must be raised by the Town. I hope that you will support this article, as it will be most beneficial to the Town.

The Clerk's hours are listed in this report, and may be obtained by calling 585-7791 any time. Please be sure to check the newsletter for holiday schedules and other important dates.

Respectfully submitted,
Jane Wright

Mark Dunton (Write-ins)	***10***

Bold Italics = Elected to Office

Article 2. (BY BALLOT) To bring your votes concerning a change in filing date for elderly exemption as provided for in the new RSA 72:33(b): "Shall we adopt the August 1 prior to the setting of the tax rate as the date for filing for an elderly exemption from the property tax?"

YES 510 NO 102

Polls will not open later than 2:00 PM and close not earlier than 7:00 PM or such later time as shall be authorized by vote of the town.

The Moderator spoke to the people assembled for Town Meeting at approximately 7:30 PM that it would be 8:00 before the polls could be closed, and he asked them if they wanted to postpone the meeting until another time, or wait until 8:00 PM. All were in favor of waiting until 8:00 PM for the Annual Meeting. Moderator William Prigge opened the Annual Business Meeting at 8:00 PM. The Salute to the Flag led by the Boy Scouts and a prayer by Lynda Tolton of the Fitzwilliam Community Church immediately followed. The reading of the entire warrant was waived at this time.

Article 3. To hear and act upon the Reports of Agents, Committees and Officers, heretofore chosen. Susan Silverman made a motion to accept the Article as written and it was seconded. Carey Bluhm spoke about the "Adopt a Mile Program" and asked people to support it. Peter Thompson spoke about the Town Beach Committee and discussion followed about the amount of money the people would like to spend on one. Joan Knight introduced the office staff ; Paula Thompson Administrative Assistant, Margo Best, Secretary, and Jody Hartwell, Land Use Administrative Assistant. The reports were accepted as written.

Article 4. Joan Knight made a motion, seconded by Charles Dunton to amend the article to read "to appoint the Little Monadock V.F.W. Post 10289 to have charge of the Memorial Day exercises "each year". Passed as amended with the phrase "each year".

Article 5. Voted to raise and appropriate the sum of $25,000.00 to paint the Town Hall and finance said appropriation by withdrawing $7,000.00 and accumulated interest from the Capital Reserve Fund created by ARTICLE 18 at the 1996 Annual Meeting, $10,000.00 from December 31, 1997 unreserved fund balance representing funds from ARTICLE 6 at the 1997 Annual Meeting and the balance to be raised by taxation. This appropriation shall be non-lapsing, and may be encumbered by the Selectmen for up to four years. (Recommended by Budget Committee. Recommended by Board of Selectmen) Joan Knight made a motion and it was seconded. Article passed as written.

Article 6. Voted to raise and appropriate the sum of $4,000.00 to repair the striker on the Town Hall Clock. This appropriation shall be non-lapsing and may be encumbered by the Selectmen for up to four years. (Not recommended by the Budget Committee. Recommended by Board of Selectmen.) Thomas Parker made motion and it was seconded. Article passed as written.

Article 7. Voted to raise and appropriate the sum of $15,000.00 to replace the windows in the upper all of the Town Hall. This appropriation shall be non-lapsing and may be encumbered by the Selectmen for up to four years. (Recommended by Budget Committee. $20,000.00 recommended by the Board of Selectmen.) Susan Silverman made a motion to amend Article to $20,000.00 and it was seconded. Article passed as amended.

Article 8. Voted to raise and appropriate the sum of $130,500 to repair and maintain (including, but not limited to, paving and ditching) roads. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Edwin Mattson, Jr. made a motion and it was seconded. He said that the Jaffrey Road, Fullam Hill Road, Church Street and Perry Road would be included in the roadwork this year. Robert Hanson made amendment and it was seconded that 30% of this money would be used to upgrade the gravel roads. The amendment was defeated. Article passed as written.

Article 9. Voted to raise and appropriate the sum of $15,000.00 for improvements to Plante Memorial Park. This appropriation shall be non-lapsing and may be encumbered by the Board of Selectmen for up to four years. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Thomas Parker made a motion and it was seconded. Thomas Parker spoke about the improvements that will be made around the Park. Article passed as written.

Article 10. Voted to raise and appropriate the sum of $13,000.00 to purchase a chipper for use by the Highway Department. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Edwin Mattson, Jr. made a motion and it was seconded. Article passed as written.

Article 11. Voted to raise and appropriate the sum of $5,200.00 to construct a skateboard park and volleyball area adjacent to the pole barn at the Tow Recreation Area "or other appropriate location." Wayne Kasottis made a motion and added the last phrase and it was seconded. Passed as written with added phrase. This appropriation shall be non-lapsing and may be encumbered by the Selectmen for up to four years. (Recommended by Budget Committee. Recommended by Board of Selectmen.)

Article 12. Voted to raise and appropriate the sum of $40,000.00 for the installation of a new platform lift for the physically challenged, at the Town Hall. This appropriation shall be non-lapsing and may be encumbered by the Board of Selectmen for up to four years. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Susan Silverman made a motion and it was seconded. She spoke about the lift and where it would be located. Article passed as written.

Article 13. Voted to raise and appropriate the sum of $2,000.00 to support the operation of Meadowood County Area Fire Department. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Joan Knight made a motion and it was seconded. Article passed as written.

The Moderator declared a short recess at 9:00 PM for 15 minutes.

Article 14. Voted to authorize the Board of Selectmen to negotiate, on behalf of the Town, for the purpose of aggregating the purchase of electric power. (Recommended by the Budget Committee. Recommended by the Board of Selectmen.) Susan Silverman made a motion and it was seconded. She spoke about this article and what it means to the Town. Article passed as written.

Article 15. Vote to raise and appropriate the sum of $2,000.00 to pay for certain studies of electric profiles within the Town (including the varying electric demand throughout the day) in furtherance of the possible aggregation of the Town's and its residents' and business' electric loads when deregulation of the electric industry occurs in the State of New Hampshire. (Recommended by the Budget Committee. Recommended by the Board of Selectmen.) Susan Silverman made a motion and it was seconded. Article passed as written.

Article 16. Voted to raise and appropriate the sum of $15,000.00 to be added to the Capital Reserve Fund created by ARTICLE 17 at the Annual Meeting of 1995 for the reassessment of the town. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Thomas Parker made a motion and it was seconded. Article passed as written.

Article 17. Voted to raise and appropriate the sum of $10,000.00 to create an Expendable Trust Fund, under the provisions of RSA 31:19 (a) for Town water/sewer study and further name the Board of Selectmen as agents to expend. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Thomas Parker made a motion and it was seconded. Article passed as written.

Article 18. Voted to raise and appropriate the sum of $5,000.00 to create a Capital Reserve Fund under the provisions of RSA 35:1, for construction of a garage at the Public Safety Building. (Not recommended by the Budget Committee. Recommended by the Board of Selectmen. Chief Bruce Newton made a motion and it was seconded. Article passed as written.

Article 19. Voted to raise and appropriate the sum of $8,000.00 to be added to the Capital Reserve Fund created by ARTICLE 15 of the 1995 Annual Meeting to purchase and equip a vehicle for the Police Department. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Chief Bruce Newton made a motion and it was seconded. Article passed as written.

Article 20. Voted to raise and appropriate the sum of $10,000.00 to be added to the Capital Reserve Fund created by ARTICLE 11 at the Annual Meeting of 1996 for the purchase of a Fire Department vehicle. (Recommended by Budget Committee. Recommended by Board of Selectmen.) Captain Robert Jackson made a motion and it was seconded. Article passed as written.

Article 21. Voted to raise and appropriate the sum of $10,000.00 to create a Capital Reserve Fund, under provisions of RSA 35:1, for the purpose of an ambulance for use by the Fire Department. (Recommended by the Budget Committee. Recommended by the Board of Selectmen.) Captain Robert Jackson made a motion and it was seconded. Article passed as written.

Article 22. Voted to raise and appropriate the sum of $5,000.00 to be added to the Capital Reserve Fund created by ARTICLE 14 at the Annual Meeting of 1995 for the reconstruction of the tennis courts. (Recommended by the Budget Committee. Not recommended by the Board of Selectmen.) Wayne Kassotis made a motion and it was seconded. Article passed as written.

Article 23. To hear the report of the Budget Committee, and pass any vote in relation thereon. Winston Wright, Chairman of the budget Committee, made a motion to raise and appropriate the sum of $1,424,527.00 for the town Budget for 1998. This amount was passed and the following amounts approved.

Article 24. Voted to increase the size of the Board of Library Trustees from three members to five members, to serve staggered three year terms, with the Selectmen appointing the additional members to serve until the Annual Meeting of 1999 or until their successors are chosen. Robin Marra made a motion and it was seconded. Article passed as written.

Article 25. Voted to form an Industrial and Commercial Development Committee to promote commercial and industrial development within the Town. The committee to consist of seven members – five at large members to be appointed by the Board of Selectmen to serve three year staggered terms, one member from the Board of Selectmen, one member from the Planning Board. Thomas Parker made a motion and it was seconded. Article passed as written.

Article 26. (BY PETITION) To see if the town will vote to authorize the Board of Selectmen to reclass the portion of Scott Pond Road, the so-called "causeway" which is approximately 275' to a class V (five) road or any class which the Town will be authorized to maintain. Robert Hanson made a motion and it was seconded. Much discussion followed with numerous people speaking. A checklist vote was taken as requested by the proper number of voters.
Results: **24 YES** **68 NO** Article was defeated.

Article 27. (BY PETITION) To see if the town will vote to authorize the Board of Selectmen to request the State of New Hampshire to remove the sign on Route 12 North, just south of Junction 119 across from the Fitzwilliam Post Office, that reads: "Fitzwilliam Village Business District – Next Left" and erect a sign in the same location that reads "Historic Fitzwilliam – Next Left". There would be no cost to the Town of Fitzwilliam. Signs of this nature are white legend/brown background (recreation-cultural interest signs). They are provided by the State of New Hampshire upon request from the Town of Fitzwilliam. Representative Lois McMahon made motion and it was seconded. Article passed as written.

Article 28. Voted to authorize the Board of Selectmen to trade, sell or otherwise dispose of any unusable vehicles or equipment of any of the departments of the Town. Joan Knight made a motion and it was seconded. Article passed as written.

Article 29. Voted to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19. Susan Silverman made a motion and it was seconded. Article passed as written.

Article 30. Voted to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat by the Planning Board, provided that such street has been constructed in accordance with the approval of the subdivision plat by the Planning Board and has been constructed in accordance with applicable Town specifications as determined by the Board of Selectmen or their agent. Thomas Parker made a motion and it was seconded. Article passed as written.

Meeting adjourned at 10:44 PM. All Elected Officials and Committee Members were sworn in as law prescribes.

Respectfully submitted,
Jane Wright
Certified Town Clerk

A request for a recount of Town Ballots for the office of Selectmen was received from Susan Silverman on March 13, 1998. It was decided to have the recount on March 19, 1998 at 5:00 PM. The recount was conducted by the Moderator, Town Clerk, and two members of the Board of Selectmen: Joan Knight, and Thomas Parker, and Assistant Moderator Winston Wright as the third Selectman. The recount showed all candidates received the same number of votes except for Susan Silverman who received one less vote for a total of 219, and Theodore Smith received one more vote for a total of 24 votes. The correct amount of votes are recorded in Article 1.

Respectfully submitted,
Jane R. Wright
Certified Town Clerk

SPECIAL TOWN MEETING
DECEMBER 16, 1998
FITZWILLIAM, NH 03447

Moderator William Prigge called the meeting to order at 7:00pm. A motion was made and seconded to waive the reading of the entire warrant at this time.

ARTICLE 1. Voted to authorize the Selectmen to accept from Stanley W. Chaplin and Joanne P. Chaplin of Toms River, New Jersey a deed of real property in Fitzwilliam, New Hampshire containing approximately eight acres (more or less) and being particularly shown on Fitzwilliam Tax Map as Map 98 Lot 26-01, for use as conservation land and further to authorize the Selectmen to delegate the management and administration of said land to the Fitzwilliam Conservation Commission. A motion was made by Katherine Metzger, Chairman of the Conservation Commission, seconded by Mr. Hale to pass the article as written. Katherine Metzger spoke about the article and that the Conservation Commission would manage and do whatever necessary to take care of the land. The parcel is located on Route 12, across from Abel Road. It is wetlands and the "green ways" will benefit wildlife. Article passed as written.

ARTICLE 2. Voted to authorize the Selectmen to accept from John C. Ilg of North Chatham, Massachusetts and Russell G. Raitto of Fitzwilliam, New Hampshire a deed of real property in Fitzwilliam, New Hampshire containing approximately 29.8 acres (more or less) and being more particularly shown on Fitzwilliam Tax Map as Map 15 Lot 03-08, said property being donated in the name of Dorothy Ann Ilg, and to authorize the Selectmen to manage and administer said land in the best interests of the town, provided that said land be forever owned by the Town of Fitzwilliam for use by Fitzwilliam residents. Selectmen Michael Methe made a motion to accept the article as written, seconded by Thomas Parker. Selectmen Methe explained that the land is located where the "old ski area used to be". Discussion followed and it was voted to accept the article as written.

The meeting adjourned at 7:25pm.

Respectfully submitted,

Jane Wright
Clerk of Fitzwilliam

WARRANT

And

BUDGET

For the

TOWN OF FITZWILLIAM

THE STATE OF NEW HAMPSHIRE
TOWN WARRANT 1999

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the ninth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. To bring in your votes for the election of one Selectman for three years; one Fireward for three years; one Supervisor of the Checklist for three years; two Planning Board Members for three years, one Cemetery Commissioner for three years; one Trustee of the Library for three years; one Trustee of the Library for two years; one Trustee of the Library for one year; one Trustee of the Trust Funds for three years; two Budget Committee Members for three years and three Commissioners of Plante Memorial Park for one year.

ARTICLE 2. (BY BALLOT) (By Petition) Change the table of standard dimensional regulation rural zoning district minimum front yard to read 40 feet. (currently 75 feet)
(Not Recommended by the Planning Board)

YES NO

ARTICLE 3. (BY BALLOT) (By Petition) Add, under town code section 127:19 Special Provision and Exception, Paragraph F ; All reduction to dimension in the table of standard dimensional regulation to be by special exception. (No Recommendation made by the Planning Board - split decision 3-3)

YES NO

ARTICLE 4. (BY BALLOT) Are you in favor of making the following amendments to the Land Usage Code of the Town of Fitzwilliam as proposed by the Planning Board of the Town of Fitzwilliam as follows; add new paragraph to be labeled E (a) under section 127-41 Special Exception Required for Certain Uses which reads, "Shall find that the proposed use with respect to dimensional requirements establishes that there exist special conditions that make the meeting of these requirements unduly burdensome".

YES NO

ARTICLE 5. (BY BALLOT) Are you in favor of amending Article VII: Signs and Advertising Devises in the Land Usage Code of the Town of Fitzwilliam as proposed by the Planning Board to revise this Article in it's entirety to put it into a more comprehensive form and clarify the dimensions, content and placement of all types of signs in all zones in the Town of Fitzwilliam.

YES NO

Polls will open not later than 11:00a.m. and close not earlier than 7:00 p.m. or such later time as shall be authorized by vote of the town.

ARTICLE 6 . To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of $95,000 for the purchase and equipping of an ambulance for use of the Fire Department, said appropriation to be funded by authorizing the Selectmen to borrow $40,000 on terms and conditions they deem to be in the best interest of the town, by authorizing the withdrawal of $10,000 from the Ambulance Capital Reserve Fund created by ARTICLE #21 of the 1998 Annual Meeting; and to authorize the Selectmen to accept and expend a $25,000 donation by the Fitzwilliam Fire Department Inc. for this purpose, with the balance to come from current tax revenues, or take any action thereon. (Ballot vote required; 2/3rds majority needed for passage) (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of $150,000 to repair and maintain (including but not limited to paving and ditching) roads, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of $30,000 for the purchase and installation of a trash compactor to be used at the Transfer Station, or take any action thereon.
(Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 10. To see of the town will vote to authorize the Board of Selectmen to form a committee of five individuals to recommend uses for the land known as the "ski tow area", (Map 15 Lot 03-08); one member to be from the Planning Board, one member from the Board of Selectmen, and three members at large to be appointed by the Board of Selectmen; with the committee to submit its recommendations to the Town at the 2000 Annual Meeting, or take any action thereon.

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of $10,000 for the use by the committee established under ARTICLE #10 of the 1999 Annual Town Meeting to formulate their recommendations, or take any action thereon. This appropriation shall be non-lapsing and may be encumbered by the selectmen for up to 4 years. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of $2,000 to support the operation of Meadowood County Area Fire Department, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of $8850 to paint the Fitzwilliam Town Library or take any action thereon.(Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 14. To see if the town will vote to raise and appropriate the sum of $1625 to be paid to the Fitzwilliam Town Library, said appropriation represents ½ of the monies reimbursed to the Town of Fitzwilliam from the Cheshire County ADA Grant for the over-expenditure of the library access project, and finance said appropriation by withdrawing $1625 from December 31, 1998 unreserved fund balance, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of $15,000 to be used for a Town water/sewer study, with $10,000 plus accumulated interest to be withdrawn from the Expendable Trust Fund created under ARTICLE #17 of the 1998 Annual Meeting and the balance to be raised by current year's taxation, or take any action thereon. This appropriation shall be non-lapsing and may be encumbered by the selectmen for up to four years.
(Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 16. To see if the town will vote to raise and appropriate the sum of $9700 for construction of a room to be used for the storage and preservation of vital records, with $4850 to come from the Bureau of Vital Records Vital Records Improvement Fund, and $4850 to be raised by current year's taxation, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of $25,000 to create a Capital Reserve Fund, under the provisions of RSA 31:1, for an addition to and renovation of the Fitzwilliam Town Library, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of $20,000 to be added to the Capital Reserve Fund created by ARTICLE #17 at the Annual Meeting of 1995 for the reassessment of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 19. To see if the town will vote to raise and appropriate the sum of $5,000 to be added to the Capital Reserve Fund created by ARTICLE #18 of the 1998 Annual Meeting for construction of a garage at the Public Safety Building, or take any action thereon. (Not Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 20. To see if the town will vote to raise and appropriate the sum of $10,000 to be added to the Capital Reserve Fund created by ARTICLE #15 of the 1995 Annual Meeting to purchase and equip a vehicle for the Police Department, and to name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon.
(Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 21. To see if the town will vote to raise and appropriate the sum of $10,000 to be added to the Capital Reserve Fund created by ARTICLE #11 at the Annual Meeting of 1969 for the purchase of a fire department vehicle, and to name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Not Recommended by Budget Committee; Not Recommended by Board of Selectmen)

ARTICLE 22. To see if the town will vote to raise and appropriate the sum of $20,000 to be added to the Capital Reserve Fund created by ARTICLE XVIII of the 1986 Annual Meeting, for the purchase of equipment for the Highway Department, and to name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 23. To see if the town will vote to raise and appropriate the sum of $2,500 to be added to the Capital Reserve Fund created by ARTICLE #16 of the 1997 Annual Meeting for the purchase of a fork lift at the Transfer Station and to name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Recommended by Budget Committee; Recommended by Board of Selectmen)

ARTICLE 24. To see if the town will vote to raise and appropriate the sum of $5,000 to be added to the Capital Reserve Fund created by ARTICLE #14 at the Annual Meeting of 1995 for the re-construction of the tennis courts, or take any action thereon.
(Not Recommended by Budget Committee; Not Recommended by Board of Selectmen)

ARTICLE 25. To hear the report of the Budget Committee, and pass any vote in relation thereon.

ARTICLE 26. To see if the Town will vote to authorize the Board of Selectmen to accept a suitable memorial to Vietnam Veterans from the Little Monadnock V.F.W. Post 10289 to be erected on town property on a site to be agreed upon by the Little Monadnock V.F.W. Post 10289 and the Board of Selectmen, or take any action thereon.

ARTICLE 27. To see if the Town will vote to establish the price of a 10' x 10' lot in Pine Grove Cemetery at $200.00 for residents and $600.00 for non-residents, and to require all purchasers to establish a trust fund in the amount of $400.00 at the time of purchase (or at such time as the plot is opened if purchase was made prior to this article) to cover the proper care of the lot, provided that an affirmative vote on this Article would supersede action taken on Article 22 at the Annual Meeting of the town of March 12, 1991 and any other vote of the town with respect to establishing prices for lots and trust funds at the Pine Grove Cemetery, or take any action thereon.

ARTICLE 28. To see if the Town will vote to require all owners of lots at the Village Cemetery to establish a trust fund in the amount of $400.00 at such time as the plot is opened to cover the proper care of the lot, or take any action thereon.

ARTICLE 29. To see if the Town will vote to discontinue the Recycling Expendable Trust Fund created by Article #18 at the Annual Meeting of the town of March 1992; said funds, with accumulated interest to date of withdrawal, to be transferred to the municipality's general fund, or take any action thereon.

ARTICLE 30. To see if the Town will vote to authorize the Board of Selectmen to relinquish the town's rights to a 16,612 square foot piece of land, part of the property currently on long term lease from the Monadnock Regional School district for recreational purposes, in exchange for a separate 16,612 square foot piece to be added to the recreational property on long term lease to the town. The purpose of this transfer is to facilitate the expansion of the Emerson School. The properties covered by this exchange are shown on Fitzwilliam Tax Map 30 Lots 5 and 6, or take any action thereon.

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen to quitclaim deed to the State of New Hampshire the boat landing as shown on Tax Map 21 Lot 05 of the Tax Maps of the Town of Fitzwilliam, if it is deemed in the best interests of the Town of Fitzwilliam to do so, or take any action thereon.

ARTICLE 32. To see if the Town will vote to dissolve the Industrial and Commercial Development Committee established by Article #25 of the 1998 Annual Town meeting, or take any action thereon.

ARTICLE 33. To see if the town will vote to authorize the Board of Selectmen to trade, sell or otherwise dispose of any unusable vehicles or equipment of any of the departments of the town, or take any action thereon.

ARTICLE 34. To see if the town will vote to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19 until rescinded, or take any action thereon.

ARTICLE 35. To see if the town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat by the Planning Board, provided that such street has been constructed in accordance with the approval of the subdivision plat by the Planning Board and has been constructed in accordance with applicable town specifications as determined by the Board of Selectmen or their agent, or take any action thereon.

GIVEN UNDER our hands this 10th day of February in the year of our Lord, nineteen hundred and ninety-nine.

Joan Knight, Chairman

Thomas F. Parker

Michael A. Methe

ARTICLE VII

Signs and Advertising Devices

§ 127-28 Purpose

The purposes of the sign ordinance are to protect and improve community appearance and aesthetics, including protecting the health, safety, and welfare of its citizens. The Ordinance recognizes that any business needs identification and the public needs direction. The guiding principal of the ordinance is to provide opportunity for signage while at the same time assuring that signs should not destroy or detract from scenic vistas, compete unnecessarily with the natural environment, or proliferate in number. The ordinance also provides for two levels of sign size: one for the industrial areas, another for the residential districts and the village center business districts.

§ 127-28.1 Definitions

A. Sign: A sign, freestanding or attached, is an object, device, or structure or part thereof situated outdoors or displayed in a window, which is used to advertise, display, direct, or attract attention to an object, person, activity, institution, business, product, service, event, or location by any means, including words, letters, figures, design, symbols, graphics, or projected images. A vehicle with such display on its sides and which is parked in a location so as to display rather than to be used primarily as a vehicle is, by this definition, a sign. Each face of a free-standing sign shall constitute a separate sign except that a two sided sign having the same message on each side shall be counted as one sign.

B. Non-Conforming Signs: A sign which lawfully existed prior to the adoption of this ordinance but which would not be permitted under the terms and conditions of this ordinance. A non-conforming sign may be maintained or repaired, but may not be otherwise altered except to comply with the provisions of this ordinance.

C. Display Area of Sign: The area of the square, rectangle, triangle, circle or another geometric figure which encompasses the facing of the sign, including copy, insignia, background, or borders. In the case of an irregularly-shaped sign, the sign area shall be computed by circumscribing the irregular shapes with a common geometric figure or figures. The structural supports of a sign are excluded in determining the sign area.

D. Wall Signs: A sign which is attached flat to, painted on any part of the surface of a building, except for the roof, and does not project more than fifteen inches from the wall and does not extend beyond the ends or top of the wall.

§ 127-29 General Regulations

The following regulations shall apply in all districts:

A. No exterior sign or advertising device shall be erected except in the exact location and manner described in the permit.
B. No sign which requires a sign permit under this chapter shall be erected except in the exact location and manner described in the permit.
C. No sign shall be erected in a way that creates a traffic hazard or obscures or confuses traffic control.
D. No sign shall be illuminated more than thirty (30) minutes after closing of any store or business.
E. Only white or internally illuminated lights shall be used for illumination of a sign. The illumination from any sign shall be shaded, shielded, directed and maintained at a sufficiently low intensity and brightness and that it shall not affect the safe vision of operators of vehicles moving within the premises or on any adjacent public or private way.
F. Any sign which advertises or identifies products, businesses, services or activities which are no longer sold, located or carried on at the premises shall be removed within sixty (60) days after notice by the Code Enforcement Officer.

§ 127-30 Permit Required

Except for signs described herein, no sign shall be changed, altered in any way, or erected within the Town of Fitzwilliam without a permit from the Board of Selectmen or the Planning Board as a part of the Site Plan review process.

A. Applicability: All signs require a sign permit, except as provided in § 127-32.
B. Application:

1. All applications for signs requiring a sign permit shall be obtained from the Code Enforcement Officer and shall include at least:

   (a) The location, by street number, of the proposed sign.
   (b) The name and address of the sign owner and the owner of the premises where the sign is to be located, if other than the sign owner.
   (c) A scale drawing showing the proposed construction, method of installation or support, colors, dimensions, location of the sign on the site and method of illumination.
   (d) Such other pertinent information as the Code Enforcement Officer may require to ensure compliance with this chapter and any other applicable law.

(e) The application must be signed by the owner of the sign and the owner of the premises where the sign is to be located.
(f) The Code Enforcement Officer shall have the authority to reject any sign permit application which is not complete when submitted.

C. Time Limitations: The Code Enforcement Officer shall approve or disapprove any application for a sign permit within sixty (60) days of receipt of the application.
D. Fees: The Board of Selectmen shall establish and review as necessary a sign permit fee which shall be published as part of the sign permit application.

§127-31 Certain Signs Prohibited In All Districts

Notwithstanding any other provisions of this ordinance, the following are not permitted:

A. Any off-premises signs not specifically permitted by the ordinance.
B. Illumination prior to 7:00 AM or after 9:00 PM of any signs in the Residential, Historic, or Village Center Districts.
C. Illumination of any signs in the Industrial and General Business Districts more than one half hour prior to or after the business is operating.
D. Any sign which has visible moving parts, blinking, moving, or changing illumination, or any part consisting of banners, streamers, ribbons, inflatable parts or similar devices any or all of which have the potential of distracting the attention of motorists. There are two exceptions: The traditional moving signs of a barber poles and signs showing temperature and/or time.
E. Any sign emitting sound, speech, or noise, including sound tracks.
F. Any placement of a sign deemed by the Board of Selectmen, or their designate, to be unsafe, such as a sign which would interfere with the view of or by pedestrians or motorists.
G. Any sign similar to traffic or directional signs and thus potentially confusing to pedestrians or motorists.
H. Any sign illuminated in such a manner as to throw light directly onto any street, adjacent property, or upward towards the sky. Illumination which has the specific purpose of outlining any part of a building such as a gable, roofline, sidewalk, or corner, is prohibited by this section.
I. Any flashing lights, intermittent lighting, or changing lighting or lettering.
J. Any signs affixed to the roof of any structure in such a way as to project above or beyond the roofline.
K. Signage which emits odor, vapor, smoke, sound or noise.
L. Signs placed in the public right-of-way, including signs placed on utility poles.
M. Signs which contain statements, words, or pictures of an obscene, indecent, or immoral character, such as will offend public morals or decency.
N. Portable or moving signs.

§ 127-31.1 Special Exceptions

Upon application, the Zoning Board of Adjustment may grant a Special Exception for size, number or location of signs in all districts provided that in the Board's sole discretion it finds that the conformation, location or distance from the highway of the premises would permit such Special Exceptions within the spirit of this ordinance. In addition to 127-41 (E) all such signs in all districts should be reviewed by the Planning Board for the purposes of aesthetics and to remain within the spirit of the ordinance.

§ 127-31.2 Historic District

All signs to be placed in the Historic District, whether permit is required or whether permit is not required, by the provisions of this ordinance must be approved and their placement approved by the Historic District Commission prior to placement and construction and prior to application for any other permit required by this ordinance.

§ 127-32 Signs Which Do Not Require A Permit

The following types of signs do not require a permit, but which nevertheless must comply with the provisions of this chapter.

1. Resident Identification Sign: Signs not exceeding three (3) square feet in area and bearing only property numbers, postal numbers, names and professions of occupants, or other, similar information
2. Window Signs: In the Business or Industrial Districts shall not require a sign permit, provided that the aggregate display surface covers no more than twenty-five percent (25%) of the window or door on which they are placed. Such signs shall not be illuminated other than by standard lighting fixtures on the building. Window signs promoting a public service or charitable event shall not be calculated in the allowable twenty-five percent (25%).
3. Street signs in conformity with municipal or state requirements.
4. Directional signs, each no greater than four (4) square feet in area and no higher than six (6) feet off the ground, which display only information for motorists or pedestrians, such as signs indicating entrances, exits, or parking.
5. Any sign required by Federal, State, County, or Local law.
6. Legal notices such as "No Trespassing" or "No Hunting".
7. Business names and directional signs, no greater than three (3) square feet located over or adjacent to doorways.
8. Signs located 6n rolling stock of licensed common carriers or registered motor vehicles fit for highway use and not used to defeat the spirit of this ordinance.
9. National, State, Provincial or Religious Flags, EXCEPT when used in such a manner or in such quantity as to draw attention to a commercial enterprise. No unrelated message may be used or attached to such a flag.

10. Political signs erected in conjunction with an election may be erected not more than four (4) weeks prior to the election and must be removed within two days following the election.
11. Flags with the word "open", one per business.
12. Signs not to exceed two and each not to exceed four (4) square feet listing
13. AGRICULTURAL or HORTICULTURAL products grown or produced by the resident seller, in season, for such operations as farm stands or Christmas tree sales. These may not be used for the sale of merchandise other than that grown or produced within the Town of Fitzwilliam.
14. Signs no greater than one (1) square foot in area and containing messages such as Open, Closed, Vacancy, No Vacancy and credit card, telephone, restroom, gasoline prices, and other similar informational messages.
15. Signs for construction in progress: One sign not greater than thirty (30) square feet, identifying the owner, contractor, architect or developer, to be erected not more than 14 days before construction begins and removed with thirty (30) days of completion or occupancy.
16. FOR RENT or FOR SALE signs meeting the following requirements:

    (a) Must be placed by the property owner or licensed real estate broker or his/her agent.
    (b) One sign, including off premise directional information may be used in conjunction with a specific property and with written permission of the owner of the property on which the sign is located.

17. Temporary Signs: are signs that advertise special events. Such signs may be erected subject to the following conditions:

    (a) Charitable or community events or special commercial promotions; temporary signs may be erected on the premises of the person or organization conducting the event not earlier than three weeks prior to an event and must be removed not later than two (2) days following the event. An organization may not have temporary signs in place for more than fifty (50) days in any calendar year.
    (b) Temporary signs deemed to be in the public interest may be placed on Town property upon application to and approval by the Board of Selectmen.
    (c) Temporary signs may not exceed the maximum size or maximum height permitted in the district in which they are placed.
    (d) Daily Special Signs: May be placed on the premises only during open business hours and may not be larger than 2' x 3'.

§ 127-33 Signs Permitted in Business or Industrial Districts

Any principal use permitted in the Business or Industrial Districts may erect a sign or signs subject to the following:

A. Exterior Sign: Except as may other wise be provided, one (1) exterior sign shall be permitted for each business, not including directional or informational signs. The exterior sign may be a wall sign or individual letter sign.

B. Wall sign or individual letter sign: A wall sign or individual letter sign on the exterior of the first floor of a building shall not exceed in area of one (1) square foot for each linear foot of the wall or forty (40) square feet in width, whichever is less. The length of signs of businesses occupying other than the first floor of a building shall not exceed six (6) feet. No portion of a wall sign or individual letter sign shall project over the face of the building. A business may divide the entire display area permitted herein into separate wall signs or individual letter signs, provided that the maximum height of each separate sign does not exceed the maximum height of four (4) feet and that the sum of the aggregate width and area of each separate sign does not exceed four feet.

C. Secondary Signs: If a business has a direct entrance into the business in a wall other than the front wall, there may be a secondary sign affixed to such wall, and if the business has a wall, other than the front wall, that faces upon a street or parking area, there may be a secondary sign affixed to such wall whether or not such wall contains an entrance to the business; provided, however, that no business shall have more than two (2) secondary signs in any event. The total display surface of any secondary sign shall not exceed six (6) square feet.

D. Directory Signs: One (1) exterior directional sign listing the name and location of the occupants of the premises may be erected on the exterior wall of a building at each entrance or other appropriate location, provided that the display area shall not exceed one (1) square foot for each occupant identified on the directory sign.

E. Directional Signs: Directional signs may be erected near a street, driveway, or parking area if necessary for the safety and direction of vehicular or pedestrian traffic. The display area of each directional sign shall not exceed four (4) square feet, and no directional sign shall be located more than six (6) feet above ground level if mounted on a wall of a building or more than three (3) feet above the ground if freestanding. Directional signs shall not advertise, identify, or promote any product, person, premises, or activity but may identify the street name/number and provide traffic directions.

F. Freestanding Business Sign: One (1) freestanding business sign which identifies only the name of a business center or a business may be erected on a lot, provided that no other signs permitted under this chapter other than directory or directional signs shall be on the same lot. The display area of a freestanding business sign shall not exceed twenty-four (24) square feet, and the height shall not exceed twelve (12) feet, provided that the sign has a seven foot lift. Freestanding business signs shall be permitted in the Village Center Business

District provided it is not larger than 3' x 3' and has been approved by the Historic District Commission.

G. Freestanding signs by special permit from the Board of Selectmen and the Planning Board as a part of the Site Review process. The Board of Selectmen may authorize by special permit the following free standing signs in the General Business, Light Industrial or General Industrial Districts.

1.) Freestanding business center identifier signs. One (1) freestanding business center identifier sign identifying only the name of a business center or business may be authorized on the same lot as other signs permitted under 127-33 A, B, or C, provided that the Board of Selectmen finds that the sign will substantially enhance the safety of the motoring public. The display area of a freestanding business center identifying sign shall not exceed forty (40) square feet, and the height shall not exceed fifteen (15) feet, provided that a seven foot lift is maintained.

2.) Freestanding business sign: One freestanding business sign may be authorized on a lot provided that no other sign(s) permitted under this chapter or directional signs shall be on the same lot. The Board of Selectmen shall not grant a special permit for a freestanding business sign unless it finds that unusual circumstances, such as landscaping, land contours, building setback, building design or historic nature, preclude effective use of otherwise permitted signs. The display area of a freestanding business sign shall not exceed forty (40) square feet, and the height shall not exceed fifteen (15) feet.

§ 127-33:1 Signs Permitted In All Districts

Signs identifying Home Occupations or other similar uses allowed under the terms of the zoning ordinance. Only one (1) sign per premise, not to exceed three (3) square feet in area and maximum height is five (5) feet above surrounding ground level. This is not intended to be in addition to signs permitted under
127-33.

§127-33.2 Hanging Signs

The Board of Selectmen may permit a hanging sign instead of a wall of free-standing sign in such places and situations where such a sign would not interfere with safety or aesthetics.

§ 127-33.3 Amendment

This ordinance was adopted by the Town of Fitzwilliam at Town Meeting, March 9, 1999 after public hearing by the Planning Board. It may be amended in accordance

with the provisions of the State of New Hampshire Revised Statutes Annotated (RSA 675:3 and 4)

127-33.4 Severability

The invalidity of any provision of this ordinance shall not affect the validity of any other provision, nor any prior decisions made on the basis of the valid provisions of this ordinance.
